1

I'm Aladdin. You're beautiful. What's your name?

I'm Princess Jasmine.

You mustn't talk to that boy, Jasmine.

2

I'm going to buy Jasmine a present.

We haven't got any money. You must work, Aladdin.

I've got an idea!

3

Please find a job, Aladdin.

OK Mum.

Hello, Aladdin. I can give you a job.

4

Who are you? What is the job?

Erm ... I'm your uncle! I'm looking for a lamp. Can you find it, please? I'll give you lots of money!

5

The lamp is in the cave. Can you see it?

Yes, I can.

6

Give me the lamp now!

No. You're going to leave me here.

Yes, I am! You'll stay here for 100 days!

Help!

7

This cave is dark. I'm scared. Hmm ... This lamp is dirty. I'll clean it. What ...?

8

I am the genie of the lamp. I can give you three wishes.

Amazing! 3 wishes? Well, my 1st wish is I want to go home.

9

Where were you? Who is your new friend? Did you find a job?

Ouch! Who's this?

She's my mum. Ouch! Mum, meet my genie.

10

I'm sorry! Here's some tea.

I've got 2 wishes now. My 2nd wish is I want to be a prince. My 3rd wish is I want to marry Princess Jasmine.

11

Later ...

My name is Aladdin. I want to marry Jasmine.

Welcome, Prince Aladdin! Jasmine, do you love Aladdin?

Yes, I do. I'll marry him on Saturday.

12

Give me the lamp!

No! You're bad!

Thank you, Genie!

Congratulations!
