

# Finding a solution

## *Student A*

**1** Put the words in order to make expressions for finding a solution. Check your answers with a partner.

1 raised / money / What / some / if / you / ?

2 bad / That's / a / idea / not / .

3 You / be / right / might / .

4 reducing / What / prices / about / ?

**Answers (for Student B):** 1 That's a good idea. 2 No, that won't work.  
3 Why don't you start a petition? 4 You could also advertise.

**2** Work in pairs. Discuss the problems in each of the four pictures and try to find solutions for the problems.

# Finding a solution

## *Student B*

**1** Put the words in order to make expressions for finding a solution. Check your answers with your partner.

1 idea / That's / a / good / .

2 work / No, / won't / that / .

3 petition / start / Why / a / don't / you / ?

4 also / could / You / advertise / .

**Answers (for Student A):** 1 What if you raised some money? 2 That's not a bad idea.  
3 You might be right. 4 What about reducing prices?

**2** Work in pairs. Discuss the problems in each of the four pictures and try to find solutions for the problems.
