

A job interview

Student A

1 Put the words in order to make questions that an interviewer uses at a job interview. Then compare your answers with your partner's.

1 Tell / job / about / me / current / your / .

2 of / What / strengths / are / your / main / some / ?

3 as / yourself / see / Do / ambitious / you / ?

4 any / you / for / questions / me / have / Do / ?

2 Work in pairs. Decide who is the interviewer and who is the interviewee. Use the picture of the first interview situation to help you prepare a conversation. Act out the conversation.

When you have finished, change roles and move on to the second picture and situation.

A job interview

Student B

1 Put the words in order to make questions that an interviewer uses at a job interview. Then compare your answers with your partner's.

1 current / want / Why / leave / do / you / job / your / to / ?

2 How / describe / would / you / other / people / ?

3 there / have / How / worked / long / you / ?

4 that / Could / me / you / tell / about / ?

2 Work in pairs. Decide who is the interviewer and who is the interviewee. Use the picture of the first interview situation to help you prepare a conversation. Act out the conversation.

When you have finished, change roles and move on to the second picture and situation.
